

Genworth awarded Workplace Gender Equality Agency (WGEA) Employer of Choice citation

(SYDNEY) 8 December 2016 – Genworth is proud to be awarded the WGEA’s Employer of Choice for Gender Equality citation for the second consecutive year.

Genworth Chief Executive Officer, Ms Georgette Nicholas, said “We are delighted to be awarded the citation again in 2016. It reflects our passion to encourage, recognise and promote gender equality in our workplace.

“We strongly believe that our WGEA Employer of Choice for Gender Equality citation helps us stand out in a competitive employment market by enhancing our ability to attract and retain the best talent.”

WGEA Director, Ms Libby Lyons, said “The WGEA data shows that there is progress towards gender equality in Australian workplaces, but it is too slow. It is only through more employers adopting leading practices to promote gender equality in the workplace that we will see the pace of change pick up.”

Further information on the WGEA can be found at www.wgea.gov.au.
